

Dear (registrant)

The online 2017 Annual Self Report is now available. Completion of the Annual Self Report (ASR) is a requirement for renewal of full and interim registration for 2018. *Completion of the ASR is not a requirement for renewal of inactive registration, but you may complete it if you wish.*

New this year:

1. We are launching the **QA Hub**, which will be your single point of entry for the ASR, the RCA, and future learning modules. Log in and then click on MyQAP to find ASR 2017.
2. Once in the ASR, the biggest difference is how the self-quiz looks. You will be able to click on each case separately rather than scrolling far down the page to see all 4 cases.

Next steps:

- Log into the QA Hub and reset your password. Hover the mouse over your username (registration number in top left corner) to find that option.
- Complete the ASR before October 31, 2017.
- Most registrants report completing the Annual Self Report in 30 minutes; those who review reference materials may take longer.

Your College registration number:

Your password:

Log in to the QA Hub in order to access the Annual Self Report:

<https://cptbc.cscw.systems/App/WebObjects/THCPTBC.woa/cms/entrance>

To optimize your experience and avoid problems, we recommend the following:

1. Avoid using very old operating systems such as Windows XP.
2. Update your browser and clear your browser history (cookies, recent downloads, browsing cache) before starting. Switch to Firefox if you notice a problem; it works well combined with many different operating systems and is free to download from the Firefox website.

If you have any questions about the QA Hub or the Annual Self Report please contact the College at qap@cptbc.org or by calling 604 730 9193 ext 2334.

Best regards,

Chris Smerdon
QAP Manager, College of Physical Therapists of BC
