

**A message to physical therapists registered for the Manual Strategies for the Adult Neurological Population: Upper Quadrant course on October 21 & 22, 2017**

Following the recent tragedy of losing Dianna Mah-Jones, occupational therapist and course organizer, please note that the following course will be proceeding as planned:

**Manual Therapy Strategies for the Adult Neurological Population: Upper Quadrant**

Teresa Siebold B.H.Sc.PT, B.Sc., NDTATM PT Instructor  
October 21 & 22, 2017 in Vancouver
